Powerase Direct Drive

15 HP POWEREASE

Our BAR4015-R supplies the rare combination of quality and price economy. Uniquely fitted with an Professional Italian Built Comet pump and a Powerase engine.

Many model versions are available.

WHAT SETS THESE MACHINES APART FROM OTHERS:

- Built with Powerase 15hp engines, the best Chinese engine available
- All machines built with Comet Italian manufactured pumps

Also Features:

- Comet Brass Head Plunger Pump with external unloader
- Powerase 15Hp Engine with back to base 12 month warranty
- Options of space saving 2 wheel scoop frame with large 10 inch pneumatic tyres or our galvalised J frame for increased protection and ability to mount extras such as Hose Reels and lifting eyes
- Supplied ready to work, with gun & lance, 15 metres of hose and a selection of 4 quick connect nozzles
- Detergent injection via quick connect (low pressure)
- Weighs from 79kg
